FIRST-TIME APPLICANTS

First-time applicants must send the completed Application for RDA Examination and Licensure to the address above, **INCLUDING the fee of \$80** (\$20 application fee and \$60 practical exam fee). You will pay an additional \$43 fee for the RDA written examination and \$23 for the Law and Ethics examination when scheduling your test with Psychological Services Inc (PSI), the contracted testing agency handling the examinations for the Board. Once you have been approved to sit for the practical examination, a Candidate Handbook will be mailed to you by PSI with information regarding how to pay for and when to schedule your written examinations.

If you want verification that your application documents have arrived at the Board offices, a Candidate Application Postcard is enclosed in this application packet. Address the post card to yourself, place postage on the card and return

with your completed application. The card will be used to notify you that the Board has received your application for the Registered Dental Assistant examination and it is in the process of being evaluated. When you receive the card back in the mail, it only means that we have received your application, not that you have been accepted or scheduled for an examination.

FINGERPRINTS, LOCATIONS AND FEES

You are required to submit fingerprints upon initial application. ***Live Scan*** is available only in California, for either residents or visitors, is more efficient than the Ink-on-Cards method, and is ***required for all California applicants***. The Live Scan form is attached to this application or can be downloaded from the Dental Board website at www.dbc.ca.gov. ***Make sure you print or copy the form in triplicate (three copies).***

The agency data for the Dental Board has been completed on the form for you. Applicants need to provide personal data on the form and contact the Live Scan location in your area (see authorized Live Scan locations on the website at <http://www.caag.state.ca.us/fingerprints/publications/contact.htm>). At your fingerprinting appointment, present ***three (3) copies*** of the form to the Live Scan vendor. Upon completion of the fingerprinting process, the vendor site will retain one copy and ***you will receive one copy to submit to the Dental Board as part of this application filing process.*** The remaining copy should be retained by you for your records.

Your fingerprints will be scanned electronically, without ink, and transmitted to the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) for processing. The DOJ will send their report to the Dental Board. Usually the report is received within seven days. There is a low rate of rejections with the Live Scan method.

The Live Scan service location will require you to pay a fee. Fees vary depending on location and are posted on the vendor location website indicated above. California applicants using Live Scan are not required to submit the \$51 fingerprint card fee to the Dental Board as part of this application. ***Your Live Scan fees will be paid separately to the vendor location at the time of service.***

Out-of-State applicants using the Ink-on-Cards method of fingerprinting will be required to submit a \$51 finger card fee to the Board upon submission of this application. Further instructions regarding ink fingerprinting for Out-of-State applicants can be found later in these instructions.
